

Sid Roth: This Ancient Prophecy Is Still Predicting World Events Today

“As I read *The Oracle*, the tangible presence of God came over me. This book must be from God!” says Sid Roth, host of *It’s Supernatural!*

New York Times bestselling author Jonathan Cahn says that God has a timed clock and that prophetic events happen like clockwork every fifty years. Most importantly, these events are linked to Jesus’s second coming. On this episode of *It’s Supernatural!*, Sid Roth talks with Cahn about his latest book *The Oracle: The Jubilean Mysteries Unveiled*.
