

Spirit-Filled Worship Leader Shares the Exact Moment the Spirit 'Marked' Him

Worship leader Jaye Thomas says the Holy Spirit marked him for the prayer movement while watching IHOPKC's Onething Conference in 2007. He says, "I remember feeling the intense presence of the Lord in a way I had never encountered Him before. I just knew in that moment that this is what I was made for." He shares his story and casts vision for this year's 2018 Onething conference here.
