

Steffany Gretzinger Performs 'Reckless Love,' Reveals Encouraging Word

Bethel Music's Steffany Gretzinger recently performed a Spirit-filled, semi-spontaneous cover of Cory Asbury's "Reckless Love." During an interlude, Gretzinger shared an inspirational word with the audience about the song. She said last year she sang this song prophetically, because "a lot of songs we sing to prophesy until we believe, until we see something come to pass." Watch to hear why she sings it now.
