

Strengthen Your Gates Against the Enemy

In Old Testament Scripture, the enemy would attack a fortified city with a battering ram, thrusting the huge weapon into the gates until the bolts loosened and gave in to the pressure. Satan today continues to batter believers with lies, sickness, pain and more. But we are not defenseless. The Word is your weapon, and God has given you the power to defeat the devil on every front. When the enemy wages war against you, don't be afraid. Speak the Word. Watch the video below.
