

Thank God for the Fire

To fear God is to hate sin, including the sin in our own hearts. God wants to melt away the hardness in our hearts so we can fully experience His love.

READ: Ps. 66:2; Ps. 138:8; Prov. 8:13; Is. 42:8; Jer. 17:9; Heb. 12:11.

HEART ISSUE: Do you want to know the truth about your own heart? Do you report successes to spiritual leaders in an attempt to impress them?

PRAYER FOCUS: Father, please show me my heart as You see it. Point out any pride or lack of love and help me uproot it. I won't resist Your convicting fires. Amen.
