

Thanksgiving Documentary Remembers Mayflower Sailing

America Has a Destiny: The Plymouth Story, a documentary by the late co-authors of *The Light and the Glory*, Peter Marshall Jr. and David Manuel Jr., commemorates the 400th anniversary of the sailing of the Mayflower in a fitting Thanksgiving tribute.

The longtime friends and production partners of The Northern Lights Productions share interviews and special moments of America's first moments as a nation.

Watch a short clip of the documentary [here](#).
