

The Army of God Is Declaring a Victory Song Over America

I saw the people of God all across the world arising and taking their place in prayer and intercession for the USA. As I looked across the people of God, I saw angels descending from heaven and they were holding garments in their hands and what looked like weapons that were shining brightly.

These angels began to hand out these garments to the people of God who had moved into position to contend for the United States of America. These garments were the garments of war.

Instantly I heard Psalm 144:1:

“Praise the Lord, who is my rock. He trains my hands for war and gives my fingers skill for battle.”

I saw the people of God being dressed in garments of war and their hands filled with weapons of warfare to see the Holy Spirit break out across the United States of America.

I then saw Jesus stand before His army and He spoke:

“People of God, it is time to arise, it is time to fight! I have prepared you to fight for the nation of the United States of America for such a time as this. In this time of prayer and intercession, I am releasing battle strategies to you. My people to see the forces of darkness, pushed back. To see My kingdom and My glory invade every place in this nation, where the enemy has taken hold. It is time for you, My people, to sing together in one accord and declare victory over the United States of America.”

I then saw the flag of the United States of America appear before the people of God and some of the leaders on the front line took this flag and began to move forward in victory. As

the people of God marched forward they sang a song of victory that was being released from heaven. Singing from the place of victory, I saw the people of God singing victory from their God ordained place, seated in heavenly places (Eph. 2:6)

As the intercessors and people of God began to move forward carrying the flag, I felt the Lord's encouragement that no matter what your eyes see in the natural that is not in line with what the Lord has spoken, do not be swayed, do not be moved, for the Lord is calling His people to sing a song of victory over the United States of America, even if they do not see it. It is time to decree victory into every part of the USA so that her heart of destiny may beat again.

Battle Strategies Turning New Pages for America

As the people of God moved forward in fighting for this beautiful nation, I saw the Lord releasing specific battle strategies to His people. This is a crucial time in history right now for the United States as the Lord has prepared His people to fight and see great victory. He is releasing keys to the people of God in this time that as they partner with Him, that this would be a time in history where one of the greatest shifts in the United States of America took place.

I saw a spirit of death that has been over the USA that has been doing all it can to steal the life that the Lord wants to release into this nation and hinder the vision and plans the Lord has for the United States being seen by covering it all with darkness. I felt the Lord saying that He has called the United States of America to be a nation that brings life to other nations in the world. I saw the United States of America like two huge defibrillator's and the Lord using the U.S. and what He wants to do in that nation to "wake up" another nations to His Glory, His love and His life.

As the people of God were interceding and praying for the United States I saw angels coming carrying two huge

defibrillators and they placed them on the center of the nation and the intensity of the power surge to be released into the nation was increasing as the people of God were praying and singing together in one accord and declaring victory over the nation. Suddenly, there came a point where these defibrillators were activated and a huge shock of His Glory and power was released through the United States of America bringing a great shaking and things began to fall into alignment. His Glory and power was breaking out.

God is doing something new in the USA and He wants His people to partner with Him. He has trained and equipped His people to fight for this nation for such a time as this. As the people of God are crying out and interceding they are like voices crying out in the wilderness "Prepare Ye the way of the Lord, make His paths straight" (Mark 1:3). Do not doubt the power of your prayer and intercession through this time, for your prayers are carving a pathway for the King of Glory to come in.

As the people of God pressed in crying out to the Lord for His mercy and a turning, the people of God moved forward in repentance and blessing of this beautiful nation, I saw the spirit of death beginning to shift and a flood of heavenly revelation being released into the United States of America where there would be an increase in prophetic words spoken over the nation released. There would be encounters, visitations and blueprints released to many that when put into action would see revival burn through the United States of America.
