

‘The Demons in the Heavenlies Are Going to Fight’ the Midterm Elections

America is about to go into all-out spiritual warfare for the midterm elections, minister Billye Brim tells *The Jim Bakker Show*.

The midterms, “to tell you the real truth [will show] whether our president’s hands are strengthened or not,” Brim says. “He’s brought about so many things for Israel, God wants to bless Israel through him; He wants to bless Jerusalem through him; He wants to bless America through him. His hands are going to have to stay strong to do it.

“Now, the demons in the heavenlies, not just the little old people on earth, but the demons in the heavenlies are going to fight this, so what do you do?” Brim says.
