

Tamara Osteen Graff on Women in Ministry

Ministry is in her blood—literally. Her late father John Osteen started Lakewood Church 51 years ago in a converted feed store. Her brother Joel became the pastor of the Houston church in 1999 when their father unexpectedly passed away. But Tamara Osteen Graff is leaving her mark on the world in her own unique way. She says God has a story to tell through every woman's life. To hear her story, listen to podcast.
