

The Manifestation of the Sons of God

***Editor's Note:** The following prophetic word is part of a longer message given by Kim Clement at The Master's Touch International Church () in Longwood, Florida, on June 6, 2009. It was transcribed from a recording of that Saturday evening service.*

Some have said, "Summer is going to be filled with ☒ judgment." God says, "Though there be earthquakes, though there be hurricanes, I will turn them into signs. I will turn them into signs of wonderment, signs of experience, where people say, 'Why did the people not die? Why were there so few lives not taken?'"

"They will say, 'Is this truly judgment, or is the earth beginning to sound, is the earth beginning to rebel, is the earth beginning to say, "We want the manifestation of the glory of God; we want the manifestation of God's sons on the earth"'?"

"*That's* what it is. *This* is what it is," says the Spirit of God.

The Spirit of God says, "Draw near to Me because there will be things that will take place that will be completely different." When Paul was in the prison ... at the midnight hour, the voice of God was heard through the sound of the praises of Paul and Silas, [and] light came into that place.

And God said, "There is going to be a shaking during the summer, but the shaking shall be a sign that the earth is awaiting the manifestation of God's sons and daughters. For there shall be a glory that shall come forth with unusual signs, unusual miracles, unusual manifestations—that shall come as a result of this shout that is coming from the earth,"

says the Spirit of the living God.

“Even though the earth shall shake, and even though the heavens may rumble, and even though the winds may blow and hurricanes may come,” God said, “It shall be a sign that I am coming to this country like a mighty, rushing wind, about to raise you up and give you one sound, with one voice,” says the Lord.

[America] is going to shake with the power of the living God.
