

The Mark of the Beast Has Not Arrived Yet, So There Is Still Hope for Everyone

Over the last couple of months, various influential voices have presented as news the RFID chip used in Sweden as the way that the mark of the beast of Rev. 13:16-18 will be coming. These “news” stories are misleading—a red herring and a decoy to steer our focus away from the real mark of the beast—the long-planned Microneedle Patch Vaccine and its scannable Quantum Dot Tattoo mark that will furnish the Proof of Vaccination Compliance record on the body.

The QDT will also serve as the platform for the digital ID and currency, as well as for storage and tracking of all personal data and activity—the real goal of the elites, despite declarations of health and safety concerns.

Another important issue is whether or not the people who have already been injected have actually taken the mark of the beast. People are understandably thrown off by the unusual and concealed technology in these bioweapon injections that not only alter the human DNA and connect the recipients to Artificial Intelligence but also insert an operating system that can be connected to a large central computer, not to mention all of the adverse physical side effects, even on some of the unvaxxed in close contact.

What categorically demolishes the whole “this injection-is-the-mark-of-the-beast” theory are the biblical details about the actual mark of the beast itself; that is that one cannot “buy or sell” without it (Rev. 13:16,17).

Question: Can the non-compliant who have not taken their mRNA “vaccine” injections still “buy and sell”? Yes, even in more severely restricted countries where the vaccine passport is in

effect, the non-compliant unvaxxed can still access and use their money, pay utilities, purchase online, have private cash transactions, etc.

That scriptural detail is the definitive conclusive evidence proving the COVID injections, as destructive as they are to the human DNA, cannot be the mark of the beast, though the beast technology is in them. That truth is especially important for those who have already taken the injections so that they may still have hope rather than believe they are irrevocably doomed to the lake of fire, as would be the case if they had taken *the* mark of the beast. (Rev. 14:9-12).

If that is you—if you have taken the injection, repent before God and take no more, even if you lose your “fully vaccinated” status and privileges. The governments have often been wrong and have misled the people, as they are here.

Additionally, the Greek term for “mark,” as in mark of the beast, is *charagma*. It means “stamp” and comes from the base meaning stake or pointed stick, the very way the snake-fang-inspired microneedle patch vaccine will place the QDT mark on the body as proof of vaccination.

Bill Gates further presented the microneedle patch vaccine as a “solution” while tapping the inside of his forearm, which the Scriptures consider part of the “hand.” The painless and flexible vaccine patch can even be mailed to the recipient’s house and self-administered, thereby making it very convenient and completely unlike the emotionally charged scenes in the “Christian” end-times movies.

Remember, the Bible states that people will be *deceived* into taking the mark (Rev. 13:14; 19:20).

One more detail: the QDT microneedle patch is made in such a way that it can also be stamped on the forehead, unlike the hypodermic needle, and the forehead is one of the permissible locations of the mark, according to Rev. 13:16.

Deceit is certainly prospering in our day (Dan. 8:25) as the media directs our attention away from the imminent Quantum Dot Tattoo, so that when it does finally arrive, people won't even recognize it as the mark of the beast but see it as just another booster shot, albeit a more convenient and pain-free one, just like a band-aid.

Remember the following relevant Scriptures: "They overcame him by the blood of the Lamb and by the word of their testimony; they did not love their lives so much as to shrink from death" (Rev. 12:11)

"If anyone is to go into captivity, into captivity he will go. If anyone is to be killed with the sword, with the sword he will be killed. This calls for *patient endurance and faithfulness* on the part of the saints" (Rev. 13:10).

A third angel followed them and said in a loud voice: "If anyone worships the beast and his image and receives his mark on the forehead or on the hand, he, too, will drink of the wine of God's fury, which has been poured full strength into the cup of his wrath. He will be tormented with burning sulfur in the presence of the holy angels and of the Lamb. And the smoke of their torment rises forever and ever. There is no rest day or night for those who worship the beast and his image, or for anyone who receives the mark of his name."

This calls for patient endurance on the part of the saints who obey God's commandments and remain faithful to Jesus. (Rev 14:9-12). {eo}
