

The Never-Before-Reported Prophetic Word That May Have Sealed the Trump Presidency

Frank Amedia gave Donald Trump a prophetic word that may have sealed the presidency, according to *Charisma* Founder and CEO Steve Strang.

Amedia told Strang he gave Trump the prophetic word in an envelope that Trump was to read on the plane trip to Florida. While the information was previously off the record, Amedia agreed to let Strang report it in his book, *God and Donald Trump*, due out Nov. 7.

“The prophetic word is in the book, but I can summarize it by saying, ‘If you humble yourself before the Lord, you will be the next president of the United States,’ along with some Scriptures.”
