

The Prophetic Significance of Today's Major Headlines

This August, 69 earthquakes shook the Ring of Fire along the West Coast, in accordance with Matthew 24.

This is just one of several headlines making news that reflect just how close we are to what Christ described as the "beginning of sorrows" (Matt. 24:8).

Another is California's proposed bill to restrict counselors when assisting those struggling with same-sex attraction.

"We are in the last days," televangelist Jim Bakker says. "And it's unbelievable times."

Watch the video to see what else is happening and how it was foretold in the Bible.
