

The Renewal: The Truth the American People Are Entitled To

Deuteronomy 1:8 says “See, I have set the land before you. Go in and possess the land which the Lord swore to your fathers, Abraham, Isaac, and Jacob, to give to them and their descendants after them.”

The same applies to America and those who seek after truth, liberty, righteousness and justice, says Sidney Powell, founder of Defending The Republic and advocate for The Renewal, to be held Saturday, Jan. 8, in Plant City, Florida. The event, from organizers of The Return, is being billed as a “Spiritual Solution to America in Crisis” and includes an all-star speaker lineup including Jonathan Cahn, Pastor Carter Conlon, Michelle Bachmann, Ben Carson, Mike Lindell, Kent Christmas, Pastor Kevin Jessip and others.

“We must restore this country to the founding principles that God laid for us to rest upon,” Powell says. “God loathes deceit and loves truth. Everything we’re hearing from our government now is deception. Everything we are hearing from the left, the globalists, the socialists, the communists and the fascists is based on lies. The American people are entitled to the truth, and we must bring God back into this country and into our daily lives. We must give Him his rightful place here and to restore our freedoms to this country and to the world at large.”
