

The Secret Place: New Levels of Intercession Arise

The Lord is awakening His people to new levels of intercession. I had a vision in which I saw the Lord, and He was moving upon His people as the “voice of awakening.”

As we press into the secret place, the Lord is taking many into a place of hearing the cries of His heart at a deeper level. This is a sacred and beautiful place and the Lord is leading many there that have stewarded the revelations of His heart.

As the cries of His heart began to resound in the ears and hearts of His people, they began to move into greater encounters with a breaker anointing. Forerunning in their intercession paving the way for miraculous breakthrough. The Lord is releasing glimpses of His heart with strategic strategies in prayer to see breakthrough released.

This new level of intercession the Lord is leading many into is a sacred place in His heart, so we should continue to ask for wisdom and discernment of how to steward these cries well in intercession. A great level of birthing is about to break forth. Intercessors are birthing and the roar of the Lord is being released through their prayers against injustices and the work of the enemy.

As the people of God follow through with the heavenly strategies in whatever way the Holy Spirit leads, breakthrough unseen previously against injustices will emerge—not only on personal and corporate levels, but national levels. The love and justice of God will bloom in the breakthrough.

I saw angelic hosts, and they were called “angels of intercession” coming into the secret place. The intercessors prayed and bowls are being filled with the prayers of the

saints—filling and filling and filling—leading to another tipping point. Many are being led in the crossover to a new level of intercession and manifestation of the breaker anointing released through their prayers.

It's time to step into place. {eo}
