

The Spirit Behind the Chaos in America

I've never lived in a more chaotic time in America. There have been more chaotic times, but I've never lived in a time like this.

The enemy has targeted America for destruction. Socialistic forces are working to destroy the foundations of the Republic and transform America into something we won't recognize 30 years from now.

America is facing what is called "omnishambles," a situation of total disorder. We're not there yet, but that's the tactic being manifested.

It's chaos and disorder from all sides.

What's the spirit behind this? Watch this critical message for the body of Christ.
