

The Unusuals Have Arrived

Several years ago, Holy Spirit began to show me a move of God in the Spirit that was waiting to erupt through the sound of a clarion call. A clarion call is a distinct cry to facilitate and reshape culture and “atmospheres” through a series of specific behaviors, actions and duties.

When a clarion call is sounded, a demand goes forth into the spiritual and natural realms for immediate obedience and compliance to awaken a party for its participation and service. A clarion call not only causes movement and change through its instruction and demand for urgency but it stimulates a yielded heart to respond to its appeal through obedience to the voice of his Creator.

When I became aware of how the Spirit of the Lord would move at the sound of this clarion call, I saw an army of unusual people advancing to the forefront during an end-time revival. In a vision, I saw a golden trumpet sounding in the spirit realm as an awakening to those who had been waiting for their appointed time and season. As I observed this golden trumpet make a clear call to the ears of its hearers, the Spirit of God brought back to my remembrance a dream He had dropped into my spirit.

In this dream, I had entered a room where the Lord was removing vases [vessels] from a shelf that were wrapped in white garments [purity] and dusted with gold powder [glory]. It was obvious that the vases the Lord was removing from the shelf were patched up, cracked, then repaired by the hand of the Potter. I could see the unusual nature of these vases [vessels] and how they had been crafted, reshaped and refined for what the Lord had intended.

On the outside of this room was an angel standing with a trumpet, ready to release its sound. As the Lord set each one of these unusual vessels on the table before Him, I knew in my spirit that these uncommon vessels were being released and unveiled to bring His name glory.

As I read through this prophetic word again recently, I began

to see the Lord had begun to dispatch this remnant into the earth realm at this hour. As a millennial remnant emerges, we are observing those operating in the mantles of generals who have gone before us [Katherine Kuhlman, Kim Clement, the Deborahs, the Esthers, John the Baptist, Ezekiel, Elijah, etc.]. We are also witnessing a unique breed of 5-fold ministers advancing in their own God-designed forms and “fashion” where no man can stop them because the Spirit of God has marked them.

At the time I recorded this prophetic word, and as I pondered deeper recently on what the future holds, I sensed the Spirit of the Lord moving and this is what I saw and heard.

Prophetic Word:

God is taking His purest vessels off the shelf and bringing them forth this season. As you encounter Jesus through these vessels of honor created for the Master’s use, you will hear the breath of the Spirit breathing through the utterances coming forth from their lips. The fire of God emanating from these uniquely crafted and designed end-time vessels is the igniting power for rekindling your heart with a new radiance and passion.

The packages [outside appearance] that these new vessels of God are noticeably wrapped in will cause the body of Christ to stand in awe and wonder. These hand-picked chosen ones aren’t your normal everyday sons and daughters of the King. No! They are unusual in their making and out of the ordinary in their creativity. Out-of-the-box thinking and out on the frontlines of battle is their motto and motive for these seasons gathering in the harvest of souls.

These vessels of honor are wearing new mantles wrapped in gold dust and glory. The Son of Righteousness is shining upon them. He has anointed them with healing hands to touch the sick, suffering and afflicted, while setting the captives free. This selected remnant will be led by the Holy Spirit in such a radical way with unusual signs and wonders following them wherever they go. God, in all His glory, will move through the midst of His people like the fire leading the Israelites by night and the cloud covering them by day.

Even now, there’s a clarion call reverberating in the Spirit that’s calling forth these precious saints for such a time as this. The ear of this uniquely crafted and pure in heart

vestige of radical believers will hear this timely trumpet and respond to their call quickly. These precious saints are sergeants of arms in the spiritual realm with an unprecedented authority for eradicating the forces of darkness. They are warriors carrying the courage of the Lion of the Tribe of Judah. The wind of the Spirit is carrying them with the 7 spirits of God resting upon them. They are prodigals from the Father with an imprint of their own. They are a radical media remnant – who exude the fragrance of Jesus – but might look like the world.

Get ready to participate in a move of God as He highlights His anointed remnant blazing their way across the earth!

The earth might be full of darkness, deception and the birthing pains of groaning – but the One, True, Living God who sits on His holy throne – is ruling, reigning and advancing His army in the midst of our enemies!

“But in a great house there are not only vessels of gold and silver, but also of wood and of clay; some for honor and some for dishonor. Therefore, if anyone cleanses himself from the latter, he will be a vessel for honor, sanctified and useful for the Master, prepared for every good work” (2 Tim. 2:20-21, NKJV).

“And he will send out his angels with a loud trumpet call, and they will gather his elect from the four winds, from one end of heaven to the other” (Matt. 24:31, ESV). {eoa}
