

The Valley of Decision

The following is a prophetic dream originally released on Feb. 3, 2019:

In the Harvest Field

In a recent dream I found myself walking along a worn path. All around me was a massive field filled with stalks of ripe corn, ready to be harvested. I fell to my knees, put my face to the ground and began to weep and pray, "Lord, give us the harvest from this land. Let not one perish from this place. I can see thousands upon thousands are waiting in the valley of decision. Lord, I have trusted in Your mercy and my heart has rejoiced in Your salvation."

"The people that walked in darkness have seen a great light. Those that dwell in the land of the shadow of death, upon them Your light is shining. For you will break the yoke of their burden; yes, this rod of their oppressor You will remove. A new government will You raise up in its place.

"For unto us a Child is born, unto us a Son is given, and the government will be upon His shoulder: and His name shall be called Wonderful, Counselor, the Mighty God, the Everlasting Father, the Prince of Peace. Of the greatness of His government and peace there will be no end. He will reign on David's throne and over his kingdom, establishing and upholding it with justice and righteousness from that time on and forever. Your zeal will accomplish this before our eyes" (Isa. 9:2-9).

"Bring forth the promise and change the laws of the land; for behold, children are a gift of the Lord. They are the fruit of the womb and a reward given from You."

My hands dug deep into the rich soil as my tears fell like rain drops to the ground. Sounds that seemed more like a groan

came out of my spirit as I lay prostrate on the ground.

Encounter With Gov. Andrew Cuomo

Suddenly, I could hear the sound of footsteps along the path. I looked up to see three men approaching me in suits. As they came closer, I recognized one of the men as Gov. Andrew Cuomo; the other two men seemed to be secret service.

With great anger, the governor began to yell at me saying, "If you continue to pray to your Jesus and preach the gospel here, I will personally see to it that you are charged with a hate crime in this place. We don't want your kind here anymore!"

From my knees I pointed at this man and said, weeping, "Sir, your life will constantly hang in the balance from this day forward for what you have done. You will live night and day in fear, unsure if you will survive. I pray you turn to the Lord before it's too late. I call heaven and earth to record this day against you, that God has set before you life and death, blessing and cursing; therefore choose life, that both you and your seed may live.

"Sadly, I see that many things will be taken from you by the darkness until you repent. By the love of God I compel you to turn from your wickedness this day and give your life over to Jesus Christ. For evil will slay the wicked, and those who hate the righteous will be condemned. Your heart has become corrupted and open to destruction from demonic darkness. Once lust has conceived, it gives birth to sin; and when sin is accomplished, it brings forth death. For the wages of sin is death, but the free gift of God is eternal life in Christ Jesus our Lord.

"Again I say to you, repent and turn to the Lord before it is too late."

With his arms crossed, he opposed every word I said. Then with defiance he said, "I will never turn from the path I am on."

I then awoke from the dream greatly shaken by what I had seen. {eoa}

Charlie and Brynn Shamp are the founders of *Destiny Encounters International*. They have a true passion for revival and the glory of God. Compelled by the heart of the Father to seek and save the lost, they are releasing God's love to the world seeing the captives delivered, the sick healed and lives changed. Charles and Brynn believe that through outreach, missions and crusade evangelism, one life changed can impact a nation and transform a generation. Charles and Brynn have answered the call to lead a generation in the movement of both the Word and the Spirit. With the power of an encounter they are truly unlocking a generation's destiny one heart at a time.
