

The War Between God and Man Is Over

Andrew Wommack, founder and president of Andrew Wommack Ministries and Charis Bible College, says, "God's not mad at you; He's not even in a bad mood!" In this five-minute clip, Wommack shares how God has viewed humanity through His Son ever since the Resurrection. God's not at war with Jesus, which means He's not at war with you. The war is finally over! Watch the video to hear Wommack explain more, or [click here](#) to watch the full teaching series.
