

This Short Prayer From Nehemiah Can Fend Off the Enemy's Attacks

Sometimes the weight of life feels like a lot. And not just days like today when I need to go to the dentist.

Maybe you are feeling the effects of an attack from the enemy. Maybe this season of life was not what you expected. The surprising weight seemed to come out of nowhere.

At the same time, just because God has given us an assignment does not mean that it will be easy. We may be amazed at how challenging it actually is to accomplish.

But as we think about what to do in the midst of those challenges, we find a short prayer from Nehemiah that any of us can pray. Will you pray this prayer today?
