

This Simple Practice Can Help You Stay Faithful in Prayer

It is helpful to my prayer life to take a Scripture and carry it throughout the day. As I face different situations, I bring that simple verse back to mind and pray it over whatever is in front of me.

It is a simple practice but can make a big difference in the consistency and enjoyment of my prayer life. It also makes an impact on how I experience my day.

This practice doesn't need to be hard. And as we look through Scripture, we see how it made a difference in the life of the people there. Elijah even prayed a short prayer and fire fell from heaven.

Who knows what will happen as you continue to engage God through the journey of your day? So I made a series of videos to help you with this. Here is the first short video to help you in your conversation with Jesus:

What verse or story will you use to carry throughout your day? If you would like a longer prayer, join me on the podcast as I pray through Psalm 32 with you here. {eoa}
