

Tim Sheets Prophecies: The Lord Is Bringing a Complete Turnaround for Our Nation

Watch this amazing prophetic declaration given on Aug. 3 in front of the Supreme Court in Washington, D.C., by apostle and prophet Tim Sheets, the pastor of Oasis Church in Ohio.

Our God in the Heavens Does Whatever He Pleases

“Our God is in the heavens; He does whatever He pleases” (Ps. 115:3).

I am in full agreement with the prophetic word by Tim Sheets. “Bold,” is the prophetic word the Lord is speaking to the church today. I believe the day has come where God is bringing a complete turnaround for our nation and we are to be a part of that. It is exciting to watch what God is doing right now as false idols are falling. Roe v. Wade has been overturned by the Supreme Court. This and other recent decisions the Supreme Court has made and are about to make are truly exciting!

Bold Christian Actions

In the *Flashpoint* episode below you will find multiple interviews of bold Christian actions over the last 12 months.

You will be inspired by story after story of bold Christians who are standing up and winning. You will become bold by watching these amazing interviews! The Church is waking up and standing up to evil and winning.

First, in this *Flashpoint* episode, you will watch an exciting video introduction to the movie *Superspreader* produced by Sean Feucht and available in theaters across the U.S. debuting on September 29th. During the COVID lockdowns, an evangelical Christian singer stood up for religious liberties by holding

mass outdoor worship concerts. I can't wait to see it! The gospel of Jesus Christ is the greatest super-spreader the world has ever seen!

Next is an interview with Eric Metaxas, New York Times bestseller, who has written *Bonhoeffer— Pastor, Martyr, Prophet, Spy*. Eric has a new book coming out, *Letter to the American Church* which I just pre-ordered. The Church failed to stop Hitler. Let us learn from this terrible mistake and not give our nation over to the evil of our times. It is time to stand up and be bold.

The next interview on *Flashpoint* is with apostle Che Ahn, pastor of Harvest Rock Church in California. They opened up their services during the COVID lockdown and faced political and police persecution. Che Ahn tells the story of suing California Governor Newsom for closing down the church. Che Ahn won in court and Governor Newsom had to pay the church over \$1 million.

Che Ahn Shares Several of His Life Verses

- “For am I now seeking the favor of men, or of God? Or am I striving to please men? If I were still trying to please men, I would not be a bond-servant of Christ.” (Gal. 1:10)
- “And they overcame him because of the blood of the Lamb and because of the word of their testimony, and they did not love their life even when faced with death.” (Rev. 12:11)
- “The cowardly and unbelieving and abominable and murderers and immoral persons and sorcerers and idolaters and all liars, their part will be in the lake that burns with fire and brimstone, which is the second death.” (Rev. 21:8)

I Want to Be Bold

I believe that if we stand up and declare the truth of Jesus

Christ, and speak and obey His prophetic word within us, we will see victory. I believe we are at the tipping point, and we have the opportunity to restore America and other nations to their godly roots.

Will you pray and declare the prophetic word of U-turn? Will you ask God what is your particular assignment and step forth in the bold anointing of the Holy Spirit to accomplish what you believed you could never do? Together we win! Let us be bold as a lion! {eo}
