

TobyMac Releases Social Distancing Version of New Song, 'See the Light'

TobyMac wrote a new song titled "See the Light" about persevering through hard times. His official music video for the song was recorded as a social distancing version, in which his band members video chatted him. Some of the lyrics read:

"Some things will never be the same/ Some things are only for a season/ And just the thought of letting go/ Well, it's brought you to your knees. ... I can promise that the sun is gonna rise."
