Demon-Possessed Girl Drove Greg Locke to Tip-of-the-Spear Deliverance Movement

Evil is being recognized for what it is, and while some are still looking for the source of this evil transforming the cultures of the world into demonic sanctuaries, others like Pastor Greg Locke have recognized the need for the power of the Holy Spirit.

Sitting down with evangelist Benny Hinn to discuss a variety of topics that included an apology for speaking out and writing a book against Hinn years ago, Locke now believes in the same Holy Spirit power that Hinn has preached for decades.

'Demons are laughing in your face': Nick Vujicic Calls on the American Church to Repent

Evangelist Nick Vujicic has passionately delivered a compelling plea to what he perceives as a "delusional" American church, urging an immediate call to repentance.

In his interview with the Christian Post, Vujicic emphasizes the critical need for the church to fearlessly address pressing societal issues, including abortion, porn addiction and sex trafficking. With a sense of urgency, he implores the church to take a bold stand against these challenges before the window of opportunity closes.

"I think most churches are delusional," Vujicic reveals. "I don't pray for revival; I pray for repentance. I don't think America deserves a single more blessing from God; not one. We need to repent. And not only do we need to turn away from things, but we also need to equip and encourage the Church to go toward this: How do you stay out of your pornographic addiction? How do you now engage ... the one family in the church [that] ends up fostering and adopting?"
