

U.S. College Students Call for 'Slaughter of Jews' and 'Bloodshed'

Once a year, Students for Justice in Palestine (SJP) gather at their National Conference, with the 2019 SJP Conference set to be held at the University of Minnesota.

At this gathering, participants spout hatred of Jews and glorify terrorism.

Meet the activists behind the host chapter of this year's conference and see the vile and deplorable things they have said on social media. {eo}
