I downloaded Kathryn's new book and received deliverance in layers over a few days. How the Lord has healed me is amazing. I felt shaking then electricity flying through my whole body all down my arms and hands. Thank you Kathryn. Now I have work to do. I have already seen miracles, but now I'm gonna see more. Thank you Jesus for your freedom. Kathryn truly is an appointed Apostle of God. Thank you for your amazing book. I have experienced deliverance and now walking in freedom, I started to manifest when you went through the deliverance and prayer. After the shaking stopped I experienced electricity running through my hands and arms. It was over a week since I felt electricity running through my hands and arms. The Lord has healed me. I can feel it in my body. I feel the Holy Spirit so strong.

I'm walking in the truck stop tonight after listening to her books on audio and prayed for some girl's stomach. She said her back was burning. It's really great the girl works there. Her eyes are tearing. She said her back burned while I prayed for her and witnessed Jesus more now. The gifts are working because I'm really listening to Apostle Kathryn's teachings about being more humble etc.

Well, I'm reading 'Unlock Your Deliverance' in chapter 10. I did a lot of confessing and renouncing and after a whole lot

of shaking and coughing, I felt a lot better and different. Sleeping better too!

This morning I woke up with a plugged ear. I started praying and renouncing it, but felt no change. I turned on this video and faithfully accepted the prayer for healing. While I was watching it, the earwax flowed out of my ear and it was completely unclogged. Praise the Lord!

While reading Apostle's book, UYD, I went through it multiple times. Each time it was like the new wine sank in deeper and I got even deeper revelations each time! It blessed me greatly and exposed the enemy and his schemes so he can't have a hold on my life! Hallelujah!!
