

Urgent Prayer Alert: International Prophet Calls for Intercession Over Judge Kavanaugh

Frank Amedia, the founder of POTUS Shield, released an urgent prayer alert for Judge Brett Kavanaugh in the wake of accusations of sexual misconduct more than 30 years ago.

“The Lord has called us to very vigilant prayer watch and intercession with our warriors and worshippers and watchmen as we realized that the confirmation of Judge Kavanaugh was attempting to be overturn and that we looked at it spiritually,” Amedia, a prophet, says in his video.

While accusations fly, Amedia says believers need to understand what’s actually happening.

“We need to do what we’re supposed to do, and that is, we go in and we deal with it in the spiritual realm that God has given us authority and dominion over,” Amedia says.
