

Use This Spiritual Checklist in Every Major Life Choice

The Bible gives us many verses that instruct us on how to avoid life's problems and help us through the storms we all encounter. It's a sort of spiritual checklist to compare our life choices against.

So many people are totally unaware of these benefits.

They also don't realize the things they might be doing that can bring them harm.

Watch this video to find out how God wants to be intimately involved in your life to make it as abundant as possible.
