

Vineyard USA Director: What It Means to Be Naturally Supernatural

Phil Strout, national director for the Vineyard USA, talks about the Vineyard distinctive of being “naturally supernatural.” He says that doesn’t mean adopting a fake spiritual persona the way some people do. Instead, just be normal and authentic and let God be at work in the everyday. Strout says, “If your voice has to change to do the stuff of the kingdom, something’s missing.” He explains why in this video.
