

Wait for It: A Whole New World Is About to Open Up for You

Recently the song “A Whole New World” from the children’s movie *Aladdin* played over and over in my head all morning long. I went and looked up the lyrics and felt the Lord saying that this is a word for many who are leaning in and waiting for new doors to open.

A whole new world

A new, fantastic point of view

No one to tell us no or where to go

Or say we’re only dreaming

A whole new world

A dazzling place I never knew

But when I’m way up here, it’s crystal clear

That now I’m in a whole new world with you

(Now I’m in a whole new world with you)

Unbelievable sights

Indescribable feelings

Soaring, tumbling, freewheeling

Through an endless diamond sky

A whole new world

Don’t you dare close your eyes

A hundred thousand things to see

Hold your breath, it gets better

I'm like a shooting star

I've come so far

I can't go back

To where I used to be

A whole new world

Every turn a surprise

With new horizons to pursue

Every moment red letter

I'll chase them anywhere

There's time to spare

Let me share this whole new world with you

I felt the Lord saying that many who are waiting and contending for open doors are now meeting and about to meet doors of destiny that are going to open a whole new world up before them. Everything is going to look different but in the most glorious way.

The Lord is taking His people up higher, and these new doors that are being opened and entered through are *completely new*, so they will require a new level of heavenly insight. A new level of clarity and insight will be released over His people as they step up to the doors and through them. These doors are releasing the people of God into greater manifestations of their dreams, into a place of such deep contentment and joy that they will feel like they are "living the dream."

All the opposition, all the confusion, all the haze is going

to fade away as the people of God move through these doors. As they “come up higher” with the Lord to a place of crystal-clear insight and clarity (Jer. 33:3). Things of this season and the tremendous opposition will suddenly make sense. It’s a new level of freedom; it’s a new level of soaring. The Lord is taking His people on new adventures, and these adventures will be so exciting. The Lord is going to share His heart and treasures, and there will be such much more to see in this release than the people of God have ever seen. The expectation and excitement in the spirit is going to a whole new level.

Walking through these new doors of destiny, the Lord is going to show you how far He has brought you. You may have been stretched almost to the point of feeling like you were going to die, but you are going to accelerate once you step through these doors in a way you haven’t experienced before. Where you have been pressed, you are coming forth as a beautiful diamond shining His glory in *many* different facets. In these new “destiny doors,” you are moving into a deeper place of seeing He is the greatest diamond of all—the greatest treasure. You will begin to see new facets of His glory, His nature and promises in these encounters with Him in these new realms. His Word is going to come alive to you like never before in this season. Oceans of encounters await in the red letters of Jesus’ words. *Huge* levels of revelation and an aligning of focus back to Jesus away from distraction and false beliefs is happening in deeper ways in this season. An aligning back to and deeper into focus on Jesus and His Word is happening right now that is breaking off holds of the enemy, containment, limitations, distractions, doubt and fear.

As these destiny doors are set and open before you, a greater yes will be required from you to the Lord, a new level of surrender and trust that hasn’t been explored before, but a heavenly resolve and conviction is coming upon the people of God to move forward in the pursuit of seeing heaven come to earth and a determination that, despite the cost and despite

the sacrifice, "I cannot go back." Onward and upward from here!

As these destiny doors open, I saw many people looking at them in awe, but fear was trying to keep them from moving forward because the doors are *bigger* than they realized and require a greater sacrifice. Do *not* let fear steal the door that's before you. You are moving into a whole new world in Him! He is going to speak to you in greater, more creative ways, He is going to make His confirmations loud, and you will be comforted by His presence is with you in the "new." His voice of love and the revelation of His perfect love are going to wash away the fear as you take this new ride with Him.

There is a new horizon before you, people of God! Keep standing in Him; keep close to Him, with your ear to His chest. A whole new world is going to open up for you through these doors of destiny, and it's only going to get better from here.

There are many wide-eyed gasps of awe coming over the people of God as they watch Him far exceed their dreams and expectations (Eph. 3:20).

There are many glorious surprises along the way!

Get ready to see Him like you have never seen Him before. Fun adventures and joy are before the people of God, a whole new level of dreaming with and in Him. In seeing Him, all else around is going to become crystal clear. We are stepping deeper into the revelation of being "seated in heavenly places with Him" (Eph. 2:6). It's your time to shine!

"A new fantastic point of view" is upon you!

"A new horizon to pursue ... I'm like a shooting star, I've come so far, I can't go back to where I used to be." {eoa}
