

Was Obama Actually America's Greatest President?

The recent college student poll naming Barack Obama as America's greatest president has caused quite a stir. George Washington, Abraham Lincoln, Ronald Reagan, John F Kennedy, Franklin Delano Roosevelt all lagged far behind in the nationwide survey.

Was it an accurate poll? What were the criteria? What about those that maintain he was actually America's worst president? Watch this video by bestselling author and cultural commentator Larry Tomczak presenting objective reasons that will either surprise or support your perspective.
