

Watch: Anne Graham Lotz Says, 'God Puts Us in His Family'

Read Time: 1 Minute 50 Seconds

"And we know that in all things God works for the good of those who love him, who have been called according to his purpose," (Rom. 8:28).

AGL: One of the things I love about following Jesus is that He puts us in His family. And so you too, are in our family. If you have put your faith in Jesus, you are part of His family and a part of our family because we all belong to Him.

So I just find it a joy to introduce to you one of my most favorite family members, Vicki Bentley is here with me...

VB: He works all things together for good for those who love him, and even in the midst of horrific things that have no explanation of good, He will make good in the midst of it and and strengthen us. And we're being made more into His image and after His likeness. And it is a difficult time. And I think that we need to recognize that. And it is a time that we need to recognize who is our Truth.

AGL: And God's Word is Truth. So, you can pick up your Bible from Genesis to Revelation, and it's God's Word. What He says is. So, He doesn't mock us. He doesn't play games with us. Nouns are nouns and verbs are verbs.

But we belong to a family. So, take advantage of the family and reach out to other family members. And as we go through these last of the last days, we need each other and that's why we have each other.

But you also have Jesus, and He's right there with you to love you and to wrap His arms around you ... to pull you close to His

heart and guide you through the deep waters.
