

WATCH: Behind the Freedom Convoy, We Need Ground-Level Spiritual Warfare

Gen. Michael Flynn says, “Local action equals national impact.”

Perhaps God’s version would be, “Personal deliverance equals corporate freedom!” If we are to take out the spiritual giants in the land, we’ve got to first establish spiritual beachheads in our own communities. By learning how to war against demonic strongholds and interact with heavenly help, we will be able to keep the victory the Lord wants to give us.

In this video, I present a scriptural framework for how believers should be using their spiritual authority to fulfill the commission of Jesus. Before ever addressing principalities and powers at work over our cities and nation, we need to first consider the demons in our own lives. We’re all affected by them, and Jesus gave us the power and authority needed to get delivered and then help others get free.

Are you using yours? Do you know God’s rules of engagement with enemy forces? You might be surprised.
