

# WATCH: Chris Reed's End-Time Prophetic Word for the Next Generation

Chris Reed, named earlier this year to succeed Rick Joyner as head of Morningstar Ministries, shares the interpretation of a dream he had for the next generation. He says it's related to the number 212 and its connection to a motel room number, to Daniel 212 and to a Morningstar University student who happened to be in the room as he spoke.

The word begins with 1 Chronicles 9:22-23 (NKJV):

"All those chosen as gatekeepers were two hundred and twelve. They were recorded by their genealogy, in their villages. David and Samuel the seer had appointed them to their trusted office. So they and their children were in charge of the gates of the house of the Lord, the house of the tabernacle, by assignment."

"The Lord wants you to know that He has got a gate to the realm of the Spirit that is opening up to you that was lost in the previous generation," Reed says. "God is going to restore the gifts of healing and miracles ... but to the next generation. I feel like the Lord's going to allow you to be the doorkeeper, and He's going to grant you access to give access to people to that which you've been entrusted to steward. I

"It's a gift of healing, and it's going to manifest in you just like the previous generation with the Oral Robertses and the A.A. Allens, and I feel like you're a part of that end-time company."
