

WATCH: Dutch Sheets Issues Urgent Intercession Alert as ‘Extraordinary’ Spiritual Warfare Rages

Dutch Sheets called out the extraordinary spiritual warfare surrounding the Kavanaugh confirmation hearings.

“Never have I been more convinced that a war of historical proportions is underway for the soul of our nation,” Sheets says in a new video. “A war that will have worldwide implications. Like Israel, America’s role on the earth is extremely significant.”

Sheets says he attended Judge Brett Kavanaugh’s confirmation hearings last week with 50-60 other intercessors who were praying for God’s will.

“The level of deceit, lies, slander and arrogant pride was shocking,” Sheets says.
