

WATCH: Healing Happens the Moment This Woman Begins to Prophecy

Evangelist Katherine Ruonala received several words of knowledge that came to pass in an instant as she ministered at the Charisma Conference earlier this weekend.

As she called out ailments and decreed healing, dozens came forward to show off what the Lord had done.

One lady carried the pillow she was using for her back while another ran across the stage, proclaiming the arthritis in her knees had vanished.

Watch the video to see for yourself.
