

WATCH: Here's How You Can Know God's Restorative Nature

We believe that God is raising up Antioch Sending Centers (Acts 13) in strategic locations across the earth for the fulfillment of Matthew 24:14, "And this gospel of the kingdom will be preached throughout the world as a testimony to all nations [*ethnos*], and then the end will come."

Worship and prayer are central in God's strategy to finish the task of global missions. Our heart is to embrace the marriage of day and night prayer with frontier missions and to give clear expression to it from our Global Missions base to strategic cities across the 10-40 window.

The MAPS Global family exists to pray, preach and sing until every nation sees and sings of the worth of Jesus Christ and the task of the Great Commission is fulfilled in our generation.
