

WATCH: How Joel Osteen Sent Out John Gray

Sunday marked John Gray's first official day as the senior pastor at Relentless Church, formerly Redemption Church, in South Carolina.

But before he took the pulpit previously led by Ron Carpenter, Gray worked side by side with Joel Osteen at Lakewood Church in Houston, Texas.

When Gray told Osteen he felt called to move to South Carolina, Osteen released Gray in a powerful way.

Together, the two, along with their wives, addressed the Lakewood congregation in a special service.
