

WATCH: JACK HAYFORD on 'Penetrating the Darkness'

"When Jesus said to pray, 'Your kingdom come, Your will be done,' it is not a dreamy-eyed, somewhere, somehow. Your kingdom come is not talking about the second coming of Christ or the millennium. It is talking about the rule of God as it exists right now and can intervene in anything in this world if it is invited. Penetrating the darkness is anybody who invites the light into the darkness."

Pastor Jack Hayford talks about how we can overcome Satan on any given regular day. Watch the video here:
