

WATCH: Leeland Releases New Worship Song 'First Love Fire'

"You have abandoned the love you had at first" (Rev. 2:4). This is what no Christian wants to hear Jesus say. Leeland's new song cries out to God about keeping Him first. To do so, He must be our one desire, the song's lyrics convey. Is God still at the center of your life?

"Back to the start when it/ Was all about one thing/ I want to fall in love/ With You again."

Watch the entire live performance of the original song [here](#).
