

WATCH: Lysa TerKeurst Opens Up to James Robison About Her Healing

Her husband's affairs. Cancer. Emergency surgery to remove a significant amount of her colon. She was the head of one of the largest women's ministries in the country. Life was not supposed to be this way.

But God was moving. And in the midst of devastation, the head of Proverbs 31 Ministries found healing.

She opened up about the process, and her new book, to James and Betty Robison.
