

WATCH: Natalie Grant Performs New Song 'My Weapon' Live in London, UK

Performed live with a gospel choir and the London Studio Orchestra, Natalie Grant sings her new song "My Weapon" about Jesus' presence. A song about trusting in God to overcome our deepest fears and trials, it's both empowering and a reminder of whose name to praise in every season of life.

"Let every lie be silenced/ And all depression cease/ Let every dark assignment/ Bow down at Jesus' feet."
