

WATCH: Spirit-Filled Pastor Brings 128 Christians to North Korea

In the wake of the historic North Korea Summit, a Dutch Pentecostal pastor posted a video of what happened when he brought 128 Christians to the Communist country.

“We praise God that we have been given permission to organize a trip to North Korea. This trip will be a prayer and praise tour across North Korea and it will be a unique experience! God wants the people of the DPRK to receive His love, grace and eternal life. He can do the impossible!” Pastor Mattheus van der Steen posted to Facebook three years ago.

With the historic announcement, van der Steen says, “Praying for North-Korea and the world! We will go there again in 3 months. Join us for this historic trip. Watch what happened last time when we went there with 128 Christians.”

Watch the video to see what happened when they crossed into the country.
