

Watch: When I Don't Feel Worthy in Prayer

In this video, Eric Gilmour and Daniel Kolenda discuss a question that they have often been asked. Some people feel unworthy and some even question their own salvation.

This becomes a hindrance in prayer and in the Christian life. The opposite can also be true—some people cannot progress spiritually because of pride. Both hindrances need to be put aside when we come to Jesus.

Watch and hear what Eric and Daniel have to say about this.
