

What a Study of 1,000 People Who Died, Went to the Afterlife and Came Back Can Teach Us

Recently Sid Roth hosted former skeptic John Burke on his show *Sid Roth's It's Supernatural!* Burke studied over 1,000 people who had near-death experiences and said they encountered heaven or hell before coming back to life. Because of this, Burke says, "There is incredible evidence that there is in fact life after death." In this evidence, he shares his findings—including the most convincing parts of these people's testimonies.
