

What Happened When a Street Preacher Told Robby Dawkins He Would Be Cut Down by the Lord

“Brother Terry” is a street preacher who runs the YouTube account, “A Messenger,” where he claims to rebuke, warn and disprove teachers like Robby Dawkins and Todd White. In a recent video, Brother Terry angrily confronts Dawkins, telling him that God will cut him down like Ananias and Sapphira. However, Dawkins doesn’t respond with rage but with love—and leaves the confrontation looking better than ever. Watch the video to see for yourself.
