

What Happened When This Supermodel Turned to the Wrong Spiritual Dimension for Healing

International model Lea DiNonno rejected God after she didn't get a response to her prayer from healing and turned to New Age practices like meditation and channeling. Through these practices, she says she met spirit guides—whom she now knows were demons—who at first helped her and then began making demands and terrorizing her. Eventually, she reached a breaking point and turned back to Jesus. Watch the video for her full testimony.
