

What Jesus Accomplished Through the Cross

Jesus Christ is the only religious leader who suffered a horrible death on the cross in our place and then rose from the dead. This makes Christianity unique. Only Christianity, through the Bible, foretold the future with perfect accuracy in over 300 verses about the coming Savior.

Jesus made the only way of salvation for anyone who would repent of their sins, confess with their mouth the Lord Jesus and believe in their heart that God has raised Him from the dead. This is the way to be saved. This is what Resurrection Day is all about. This is cause for the greatest celebration.

God made a way for humanity where there was none. {eoa}
