

What Most People Don't Understand About the Baptism of the Holy Spirit

The baptism of the Holy Spirit isn't a one-time event, Pastor Tony Suarez says.

"When you're baptized in the Holy Ghost, you're given access to a fountain of perpetual power that will save you," Suarez says. "It'll keep you saved, it'll sanctify you. It will empower you. It will activate something on the inside of you, because He didn't baptize you in the Holy Ghost to make you talk in tongues one time."
