

What Went Wrong? How We Got to This Current Brutal Reality

The 1960s sexual revolution gave us “freedoms”: hooking up, living together, abortion, homosexual unions, pornography, transgenderism and “safe sex.”

The CDC says we now have a “public health crisis” of 115 million Americans with epidemic STDs. What went wrong with *Sex and the City* permissiveness? Discover brutal realities alongside the beautiful design for those in the city of God.
